\*\* ProPress fittings supplied for additional fee.

By default, if Factory Connect Hoses is checked "YES", an integral Fixed Tailpiece connection will be used to connect to component when applicable.

**PRODUCT DESCRIPTION:** The A3BH Automatic Balancing 3-way Valve Kit is a packaged and partially preassembled grouping of components required to complete installation of a terminal unit. Temperature control valves, piping, and coils are supplied "by others". Mounting and testing of the customer supplied TCV is available at an additional charge.
