Hose	Length	End Connection
Return/Supply		

If the union end connection is selected, PROHS will select the appropriate tailpiece for coil connection.

** 3/8" Coil Size available in SWT ONLY.*

*** ProPress fittings supplied for additional fee.*

By default, if Factory Connect Hoses is checked "YES", an integral Fixed Tailpiece connection will be used to connect to component when applicable.

PRODUCT DESCRIPTION: The V3IBH Manual Balancing 3-way Valve Kit is a packaged and partially preassembled grouping of components required to complete installation of a terminal unit. Temperature control valves, piping, and coils are supplied "by others". Mounting and testing of the customer supplied TCV is available at an additional charge.
